Re: Monthly Maintenance Window this Weekend, March 11 - 13

This is a reminder that this weekend is the monthly maintenance window for ProcureAz. The activities planned involve improvements to the database architecture of the system, so users should expect times when ProcureAz will be offline.

The window is scheduled to begin at 9:00am MST on Saturday and extend through 5:00pm MST on Sunday.

In addition, there may also be some system downtime Friday, March 11th after close of business.

If you have any questions please contact the Help Desk at 602-542-7600, option 3.

Thank you
